

Educational Services

Through our administrator, Clear Risk Solutions, we provide various trainings all of which can be customized to meet your needs and are available to you in person and at your location. In addition, these trainings can be utilized by those throughout your school district including board members, employees, and/or volunteers. The following is a list of the types of trainings available to all USIP members. For a complete description of these trainings visit www.usipwa.us. For more details please feel free to contact us direct at 800.407.2027.
