

## My Risk Solutions

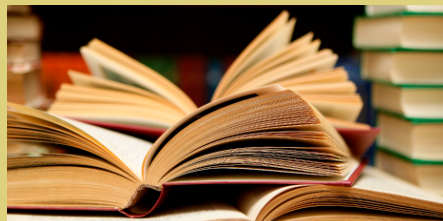

The United Schools Insurance Program (USIP) offers an innovative and proactive approach to reducing the risks and challenges facing school districts. We do this by providing an assortment of risk management services that have been specifically designed with school districts in mind. Our services provide support for those throughout your district. Utilizing these valuable insights and up-to-date tools allows you to spend more time focusing on your districts valuable mission.

In conjunction with our Program Administrator, Clear Risk Solutions, we provide various risk management services through My Risk Solutions. At My Risk Solutions you will have access to:
